CODE OF ETHICS

Certified Designer of Sediment and Erosion Control

Article I. General Principles

1. The privilege of professional practice imposes obligations of morality and responsibility as well as professional knowledge.
2. Each Certified Designer of Sediment and Erosion Control (hereafter called CDSEC) agrees to be guided by the highest standards of ethics, personal honor, and professional conduct.

Article II. Relation of Professional to the Public

1. A CDSEC shall not give a professional opinion or make a recommendation without being as thoroughly informed as might reasonably be expected of a similarly situated professional.
2. A CDSEC shall not knowingly permit the use of his or her reports or other documents for any unsound or illegitimate undertaking.
3. A CDSEC shall not issue a false statement or false information at any time.
4. A CDSEC shall not make any sensational, exaggerated, and/or unwarranted statements in any professional opinion or in the course of performing any professional services.
5. A CDSEC may publish dignified business, professional, or announcement cards, but shall not advertise his or her work or accomplishments in a self-laudatory, exaggerated, or unduly conspicuous manner.

Article III. Relation of Professional to Employer and Client

1. A CDSEC shall not use, directly or indirectly, any employer or client's information in any way that would violate the confidence of the employer or client.
2. A CDSEC shall protect, to the fullest extent possible, the interest of their employer or client insofar as such interest is consistent with the law and his or her professional obligations and ethics.
3. A CDSEC who finds that his or her obligations to their employer or client conflict with his or her professional obligation or ethics should address such objectionable conditions or resign.
4. A CDSEC who has performed an investigation for any employer or client shall not seek to profit economically from the information gained.
5. A CDSEC shall not divulge any information given in confidence.
6. A CDSEC shall engage, or advise his employer or client to engage, and cooperate with other industry specialists whenever the employer or client's interests would be best served by such service.

Article IV. Relation of Professionals to Each Other

1. A CDSEC shall not falsely or maliciously attempt to damage the reputation of another.
2. A CDSEC shall refrain from plagiarism in oral and written communications.
3. A CDSEC shall endeavor to cooperate with others in the profession and encourage the ethical dissemination of technical knowledge.

Article V. Duty to the Profession

1. A CDSEC shall uphold this Code of Ethics by example and encourage other CDSECs to do the same.

Article VI. Conflicts of Interest

1. A CDSEC shall not, without specific inspection experience, perform stormwater inspections.
2. A CDSEC shall not receive compensation for design work from more than one party unless agreed to by the client(s).
3. A CDSEC shall not accept compensation, directly or indirectly, for recommending contractors, services, or products to clients or other parties having an interest in projects.
