Changes to proctoring format:

General Information:

What examination do you qualify for? Check this link for information.

Click HERE for a detailed Help Sheet on how to sign up for the examinations.

 Steps required to take the examination are as follows:

Full Examination:

1. Registration and payment for the Full Examination will occur through the IECA eHub (link found HERE). Cost: $175.00

    1. Submittal of application and references will be completed via the eHub (found on the â€œContentsâ€ tab after logging in).
    2. Approval to take the Full Examination is mandatory.

2. Once approval by Ecopliant Environmental, Inc. to take the examination occurs, directions on how to schedule and pay for proctoring with ProctorU will be emailed.
    1. Additional instructions regarding the proctoring of the on-line examination can be found here .
    2. ProctorU fee (paid directly to them): $42.00
3. Please note, purchasing the Full Examination through the eHub requires either enrollment in theÂ Live Webinar Training Modules,Â On-Line Recorded TrainingÂ orÂ In-Person Training.

    1. For those seeking to take just the Full Examination without the training modules, please contact us directly for registration at accounting@ecopliant.org.
4. Questions on if you qualify to take the Full Examination? Please refer to this link.

IT, Part 2:

1. Registration and payment for the IT, Part 2 Examination will occur through the IECA eHub (link found HERE). Cost: $115.00

    1. **Please note, to take the IT, Part 2 Examination, you must already be a CISEC-IT and in good standing.** If you have any questions regarding this, please contact us directly at cdh_renewals@ecopliant.org.
    2. Submittal of application and references will be completed via the eHub (found on the â€œContentsâ€ tab after logging in).
    3. Approval to take the IT, Part 2 Examination is mandatory.
2. Once approval by Ecopliant Environmental, Inc. to take the examination occurs, directions on how to schedule and pay for proctoring with ProctorU will be emailed.
    1. Additional instructions regarding the proctoring of the on-line examination can be found here.
    2. ProctorU fee (paid directly to them): $26.00

IT, Part 1:

1. Requires taking either the Live Webinar Training Modules, On-Line Recorded Training or In-Person Training (currently not available due to Covid-19 restrictions).
2. Registration and payment for the IT, Part 1 Examination will occur through the IECA eHub (link found HERE). Cost: $60.00

    1. Submittal of registration information will be completed via the eHub (found on the â€œContentsâ€ tab after logging in).
3. Once approval by Ecopliant Environmental, Inc. to take the examination occurs, directions on how to schedule and pay for proctoring with ProctorU will be emailed.
    1. Additional instructions regarding the proctoring of the on-line examination can be found here.
   2. ProctorU fee (paid directly to them): $26.00

Once you have picked the examination that you are qualified for, you will click on the HERE button which will take you to the Internation Erosion Control Association (IECA) eHub. By using the HERE button, it will take you directly to the examination you are choosing.

The next page shows you how to get to that same examination if you go through the IECA eHub's front page instead.
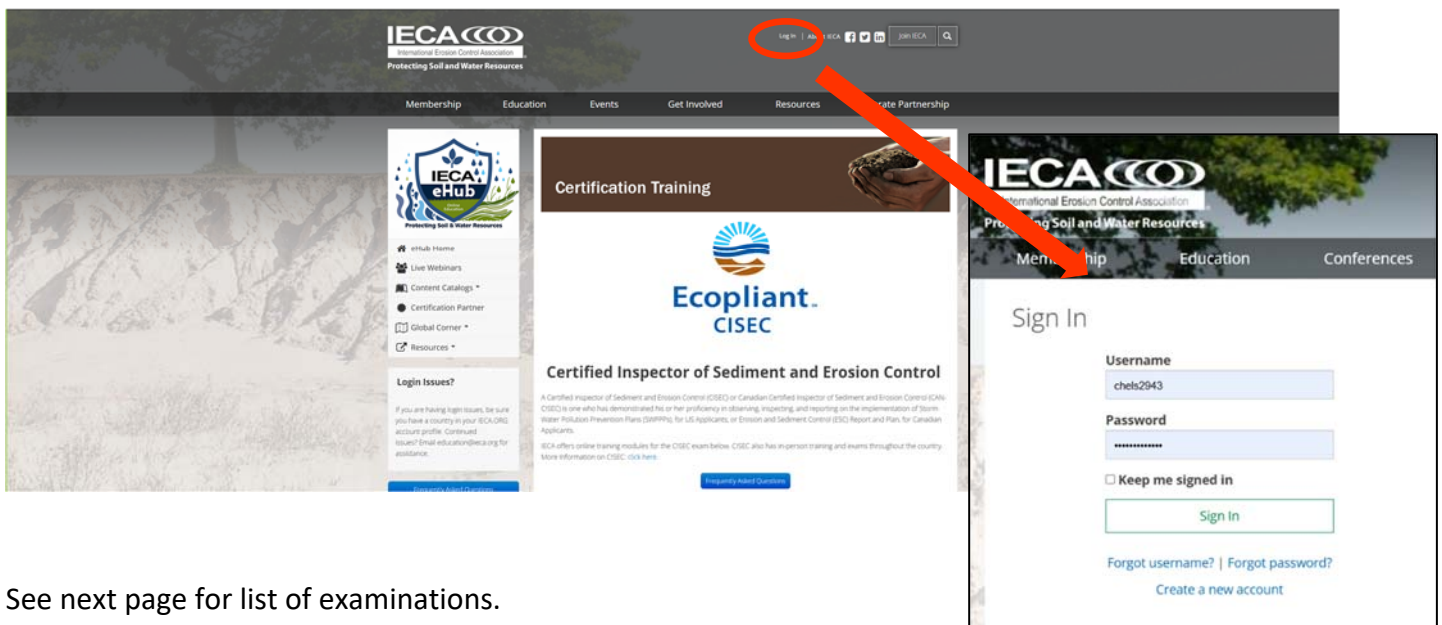

Ecopliant CISEC Examination Information

Our examinations are hosted on the IECA eHub's website. You will need to create an account with them (it is free, you do not have to become a member) in order to purchase the examinations. You can click on the link found on the pages shown above or go directly to the site: https://ehub.ieca.org/CISEC.

You can find our information directly from the eHub page by clicking on "Certification Partner" found on the left side of the page. Our list of products is found once you have clicked on "USA" and you can select which examination you are qualified for.
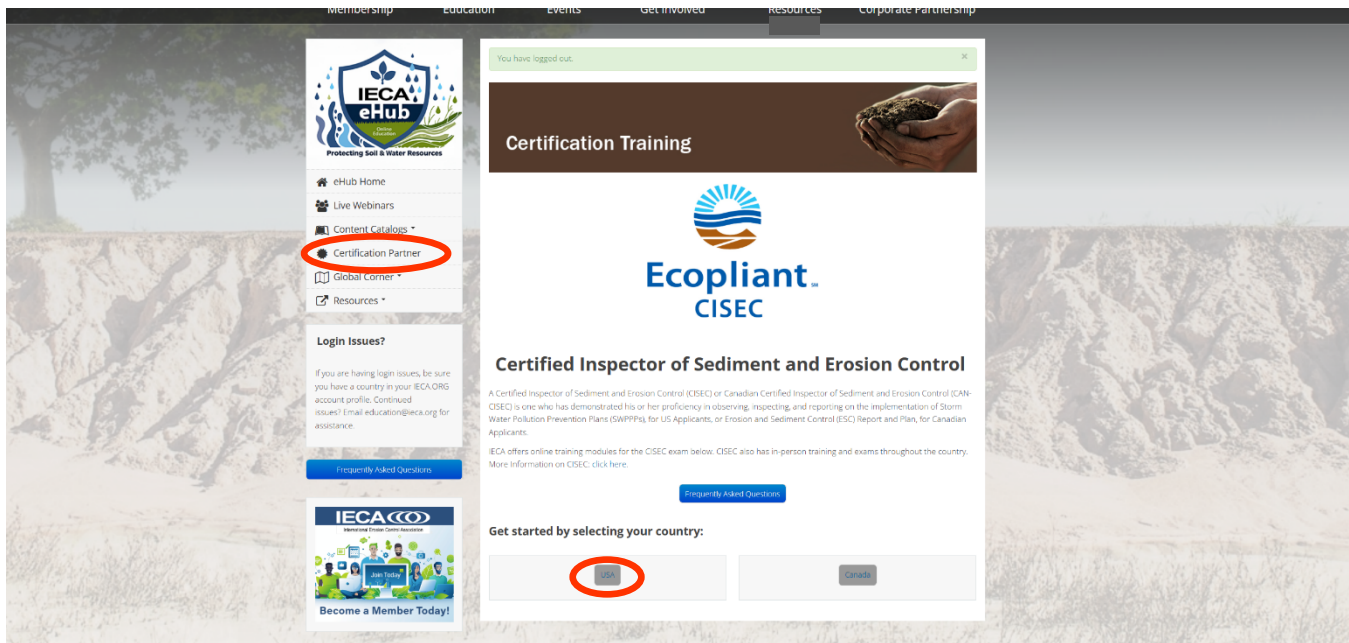

In order to purchase one of the examinations, you will need to create a free account with IECA, use the "Log In" at the top right of the screen to go to the page that allows creation of an account. You do NOT need to become a member.

See next page for list of examinations.

Ecopliant CISEC Examination Information

Upon purchase of the examination (see information below on qualifications), you will have access to the registration form (IT, Part 1) or the application and reference form (Full or IT, Part 2).

Full Examination:

- Requires a minimum of two years of work experience in sediment and erosion control and/or stormwater pollution prevention field experience. If you are not sure if the experience you have would apply, please contact us at examination@ecopliant.org.
- Prior classes, training, and/or other education in sediment and erosion control and/or environmental related topics
- Three references attesting to qualifications and experience (a form can be downloaded from the IECA eHub for references to fill out).
- The above information can be filled out and submitted online through the IECA eHub (after purchase of the examination). The reference form is found on the Application Information Tab. The online application and place to submit the references is found on the Contents Tab.
- Note that the cost of the examination requires taking the Training Modules or paying a bypass fee (contact us for more information).
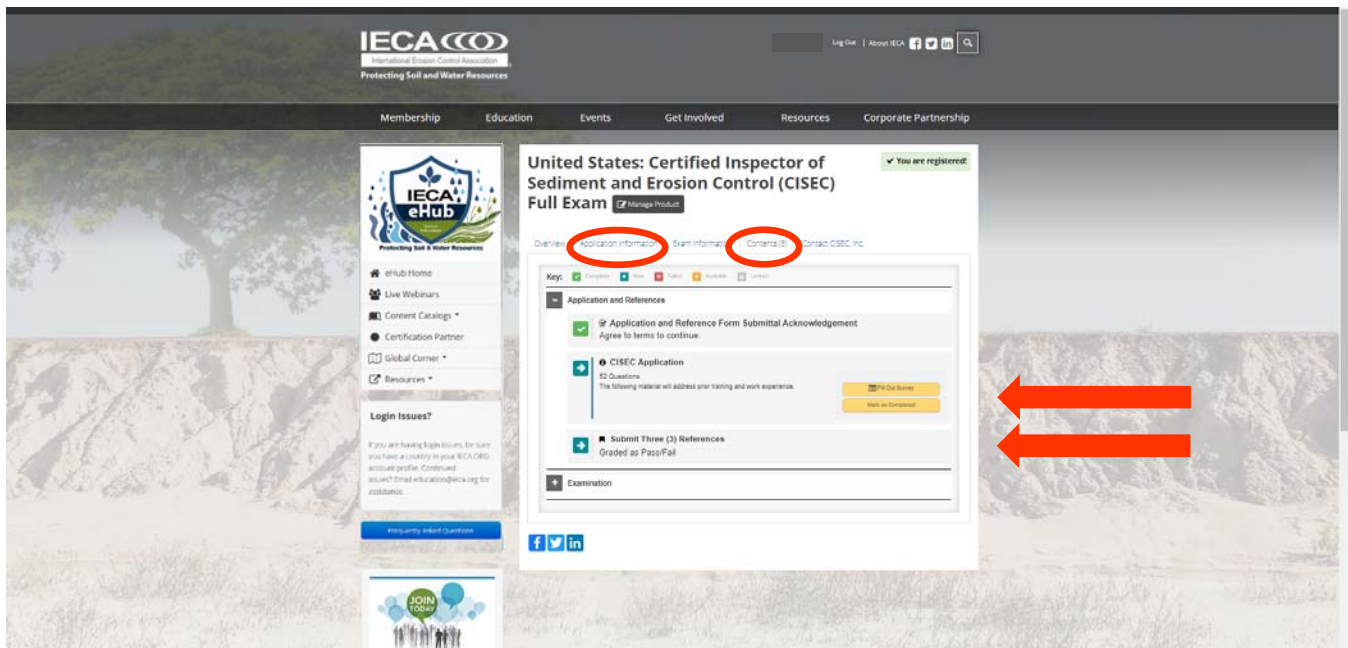

Ecopliant CISEC Examination Information

IT, Part 1:

- For those who DO NOT have the minimum two years of work experience in sediment and erosion control and/or stormwater pollution prevention field experience.
- Requires filling out a registration form online at the IECA eHub, which is found on the Contents Tab
- Upon gaining the two years of experience, an CISEC-IT will be eligible to take the IT, Part 2 examination and if passes will gain Full Registrant status.
- Please note, CISEC-IT status does not qualify for the underlying certification for QSP/QSDs (California only).

Ecopliant CISEC Examination Information

IT, Part 2:

- Is **ONLY** for those that are current CISEC-ITs (took and passed the IT, Part 1 and has maintained a current status with Ecopliant Environmental, Inc. through yearly renewals). IT Registrants should verify with the Renewals Department that they are approved to sit for the Part 2 examination).

- Requires a minimum of two years of work experience in sediment and erosion control and/or stormwater pollution prevention field experience. If you are not sure if the experience you have would apply, please contact us at examination@ecopliant.org.

- Prior classes, training, and/or other education in sediment and erosion control and/or environmental related topics

- Three references attesting to qualifications and experience (a form can be downloaded from the IECA eHub for references to fill out).

- The reference form is found on the Application Information Tab. The online application and place to submit the references is found on the Contents Tab.

- If the IT, Part 2 examination is passed, will become a Full Registrant.

After the Examination is purchased:

Once you have purchased the examination through the IECA eHub, Ecopliant Environmental, Inc. will review your information (application, references, registration form) and will send you an email with information for on how to schedule your online proctoring session with ProctorU (separate fee applies and is payable directly to ProctorU at time of scheduling).

Scheduling with ProctorU is setup to meet your needs and is available 24/7. Please make sure to use the link sent in the email to access scheduling of the examination. Our examinations are hidden as they require approval from Ecopliant Environmental, Inc. to schedule.

Once you have taken the examination, we ask for up to 21 days to grade your examination (Full Examination and IT, Part 2 only). For IT, Part 1, we ask for up to 72 hours to process your results. We will send you an email with your results.

Ecopliant CISEC Examination Information

If you pass, you will be sent a DocuSign Contract via email for review and electronic signing. This document has information regarding your yearly renewal fees and requirements. Upon Ecopliant Environmental, Inc. receiving the signed DocuSign back, you will be sent via email your registrant number and an electronic wallet card. We will follow up via mail with your Wall Certificate and Logo sticker.

Please note, all registrants are required to renew on a yearly basis (starting one year from the date of your contract (found in the DocuSign documents). Please visit our renewal pages for more information or contact the Renewals Department (cdh_renewals@ecopliant.org).

Any examination questions, please contact us at examination@ecopliant.org or 720-235-2783, ext. 4.
